

## § 17.150

### § 17.150 Scope.

(a) The standards set forth in §§17.150 through 17.161 are the Department's procedures for requesting the Department of the Treasury to offset Federal payments due debtors who have a past-due debt obligation to the Department. These procedures apply to the collection of debts under common law, 31 U.S.C. 3716 or other statutory authority.

(b) The Secretary will use the Department of the Treasury's Federal payment offset to collect claims which are certain in amount, past due and legally enforceable, and which are eligible for tax refund or Federal payment offset under regulations issued by the Secretary of the Treasury.

(c) The Secretary will report debts to the Department of the Treasury for the purpose of using the offset procedures described in §§17.150 through 17.161. Debts of less than \$100.00, exclusive of interest and other charges, will not be reported.

(d) If not legally enforceable because of lapse of statute of limitations but otherwise valid, the debt will be reported to the IRS as a cancelled debt on Form 1099C. (Form 1099C is an information return which Government agencies file with the IRS and the Department of the Treasury to report forgiven debt, and the forgiven amount is considered income to the taxpayer.) (See §17.159.)

### § 17.151 Notice requirements before offset.

A request for deduction from a Federal payment will be made only after the Secretary makes a determination that an amount is owed and past due and provides the debtor with 65 calendar days written notice. This Notice of Intent will state:

(a) The nature and amount of the debt;

(b) That unless the debt is repaid within 65 days from the date of the Notice, the Secretary intends to collect the debt by requesting the Department of Treasury to reduce any amounts payable to the debtor by an amount equal to the amount of the debt and all

accumulated interest and other charges;

(c) That the debtor has a right to obtain review within the Department of the Secretary's initial determination that the debt is past due and legally enforceable (see §17.152);

(d) That the debtor has a right to inspect and copy departmental records related to the debt as determined by the Secretary and will be informed as to where and when the inspection and copying can be done after the Department receives notice from the debtor that inspection and copying are requested. (See §17.155.)

### § 17.152 Review within the Department of a determination that an amount is past-due and legally enforceable.

(a) *Notification by debtor.* A debtor who receives a Notice of Intent has the right to present evidence that all or part of the debt is not past-due or not legally enforceable. The debtor should send a copy of the Notice of Intent with a letter notifying the Office of Appeals within 25 calendar days from the date of the Department's Notice of Intent that he or she intends to present evidence. (See §17.161(a) for address of the Office of Appeals.) Failure to give this advance notice will not jeopardize the debtor's right to present evidence within the 65 days provided for in paragraph (b) of this section. If the Office of Appeals has additional procedures governing the review process, a copy of the procedures will be mailed to the debtor after his request for review is received and docketed by the Office of Appeals.

(b) *Submission of evidence.* The debtor may submit evidence showing that all or part of the debt is not past-due or not legally enforceable, along with the notification requested by paragraph (a) of this section, but in any event the evidence must be submitted to the Office of Appeals within 65 calendar days from the date of the Department's Notice of Intent. Failure to submit evidence within 65 calendar days will result in a dismissal of the request for review by the Office of Appeals.
